8,700+

Clicks Generated

The Approach

The objective of this campaign was to launch LinkedIn growth marketing during the initial phase and build awareness among job seekers and early-career professionals, using LinkedIn Sponsored Content and video campaigns.

Growth Strategy

Educational content focused on resume optimization and ATS compatibility, with authority-driven messaging positioning CVolvePro as a complete career toolkit. CPC was maintained under Rs 5 during the testing phase.

Strategy: Funnel optimization + retargeting
